CORE HEALTH & FITNESS

Each Core Health & Fitness product will carry its own limited warranty as set forth on the Official Core Health & Fitness website. Such warranty will be buyer's sole and exclusive remedy for any breach of warranty. Core Health & Fitness disclaims all other warranties expressed or implied or statutory, including any warranty of merchantability, any warranty of fitness for a particular purpose and any implied warranties arising from a course of dealing or usage of trade. This warranty supersedes all other warranties, including any warranties based on oral representations. This warranty extends only to the original end user customer and is not transferable. This warranty does not cover defects caused by negligence; improper maintenance; improper storage; misuse; installation not in accordance with Core Health & Fitness' printed instructions; abuse; normal wear and tear; contact with liquids; application other than intended use; or installation of unapproved third party products. Core Health & Fitness' sole liability under this or any other warranty expressed or implied is limited to repair or replacement or refund as determined solely by Core Health & Fitness. Repair, replacement or refund as determined solely by Core Health & Fitness will be the sole and exclusive remedies for breach of warranty or any other legal theory including theories for the recovery of consequential or incidental damages. Some states do not allow the exclusion or limitation of incidental and consequential damages, so the above limitation may not apply.
